Welcome!

Visit Amesbury

Welcome to the 25th Amesbury Open Studios & Morel! We have a weekend filled with culture featuring about 60 artists and artisans displaying and selling their artwork. Visit their studios, learn about their process, and purchase one-of-a-kind items.

Have Fun at Market Square

Historic downtown Market Square will be bustling with shopping, dining, history, art, and culture, all within walking distance of the Square. Make sure to walk into the Upper Millyard for more art and kids' activities located at the Industrial History Center and Amesbury Cultural Center.

Stop by Amesbury City Hall

In the front-hall gallery, we will have the Art@City Hall exhibition "Inner Thoughts". In the main auditorium, we will have many artisans set up with their finest works for sale. Also in the main auditorium will be a raffle with featured prizes from local businesses. And to top it off, there will be live music by John Iavano each day.

Ride the FREE Trolley

The free trolley will take you to within walking distance of most of the studios. The entire continuous loop takes about 40 minutes, so you'll have plenty of chances to catch it! Please adhere to any guidelines about mask wearing that may be posted on the trolley.
